<sup>i</sup> Conducted by  
Pedro Reis  
Associate Professor  
Faculty of Human and Social Sciences – University Fernando Pessoa  
Pedagogical Coordinator UFP-UV (Virtual University)  
Erasmus Departmental Coordinator for Communication Sciences

Description:

The aim of the session is to introduce participants to essential phrases that are common for survival and conversation in Portuguese and also to introduce them to several aspects of Portuguese culture, such as geography, history, politics, religion, art, music, monuments, sports, climate and food.

<sup>ii</sup> Conducted by  
Luís Borges Gouveia  
Associate Professor  
Faculty of Science and Technology - University Fernando Pessoa  
More information is available at <http://about.me/lbgouveia>

Description:

Library has been always a central place for higher education. When digital emerges as the main informational support, there are a number of considerations that are no longer valid. As within this context, the presentation discusses some of possible paths for libraries and also the roles that need to be addressed in current higher education settings.
